Annual Adjustment of Fee-based Trigger for Additional Mortgage Loan Disclosures

The Federal Reserve Board published its annual adjustment of the dollar amount that triggers additional disclosure requirements under the Truth in Lending Act for home mortgage loans that bear rates or fees above a certain amount. The dollar amount of the fee-based trigger has been adjusted to \$561 for 2008 based on the annual percentage change reflected in the Consumer Price Index.

The adjustment is effective January 1, 2008.

The Home Ownership and Equity Protection Act of 1994 restricts credit terms such as balloon payments and requires additional disclosures when total points and fees payable by the consumer exceed the fee-based trigger (initially set at \$400 and adjusted annually) or 8 percent of the total loan amount, whichever is larger.

Additional Information

All circulars and documents are available on the Internet through the Federal Reserve Bank of San Francisco's website, at <http://www.frbsf.org/banking/letters>.
