FUNDING WIZARD

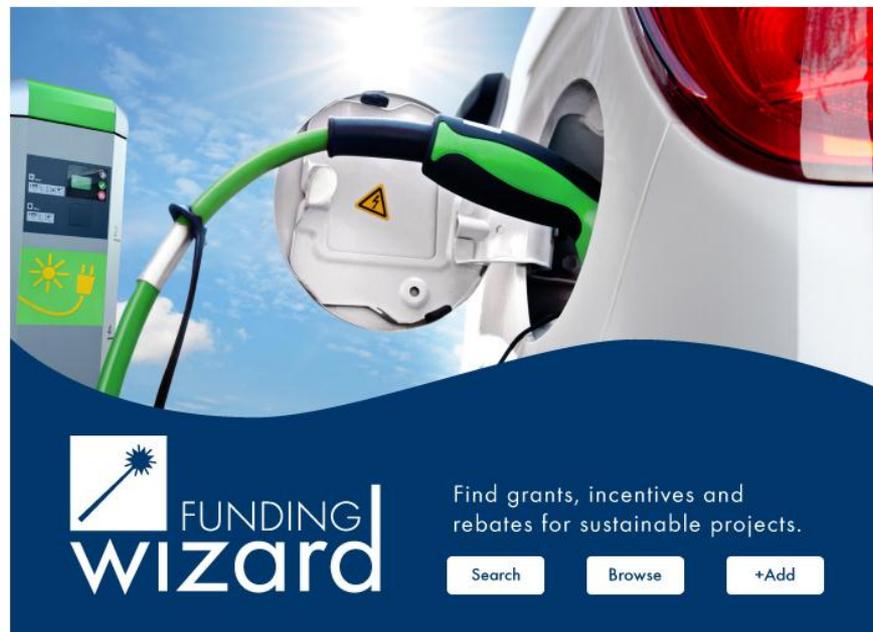

Searchable database to locate funding

- Reduce the impacts of climate change
- Support sustainable communities

Serves all audiences

Initial focus on State and Federal grants

Expansion includes utility rebates

FUNDING WIZARD

Please select one or more of the following options to narrow your search for funding opportunities. When you view the search results the selections you've made are applied as filters to the grants in the database. If you have been too restrictive in your search, this may result in no opportunities being found. In that case return to the wizard, or else remove some selection options until matching grants are discovered.

Lead Grants

Application Cycle
Not specified

Award Amount
\$250,000

EPA awards grants aimed at reducing childhood lead poisoning in communities with older housing through the National Community-Based Lead Grant and the Targeted Lead Grant Programs. The projects supported by these grant funds are an important part of EPA's lead program to eliminate childhood lead poisoning as a major public health concern.

Wal-Mart Community Grants

Application Cycle
Not specified

Award Amount
\$5,000

The Wal-Mart Foundation supports local, state and national organizations that provide opportunities for individuals and families to live better. Beginning this year, we will encourage store and club giving to align with the Foundation's four areas of focus: Education, Health, Job Skills Training and Sustainability. To learn more about requesting a grant from your local Wal-Mart or Sam's Club, plea...
