Conclusions
Important to reach borrowers with ‘preventable’ foreclosures

Borrower Outreach Events

- Create a foreclosure prevention workbook -- for an example see Arizona’s:

Making Homes Affordable

- Federal program provides both loan modification and refinance options
- Online form available that allows borrowers to assess if they qualify for the program
  http://makinghomeaffordable.gov/eligibility.html
Preventing Foreclosure Scams

- Foreclosure scams are proliferating, especially in markets with investor interest
  - Some counties are sending notices to all delinquent borrowers to warn them about foreclosure scams
  - Free media kit available from the Federal Reserve which includes a PSA and other resources: [http://www.federalreserveeducation.org/pfed/mediakit.cfm](http://www.federalreserveeducation.org/pfed/mediakit.cfm)
  - NeighborWorks PSA: [http://www.youtube.com/nwpad](http://www.youtube.com/nwpad)
- Other 5 Tip brochures and resources available from the Federal Reserve [http://www.federalreserve.gov/consumerinfo/fivetips.htm](http://www.federalreserve.gov/consumerinfo/fivetips.htm)
Stabilizing Communities and Helping Families After Foreclosure

- Develop service delivery and resources for families who go through foreclosure
  - Rental housing assistance
  - Credit repair
  - Minimizing disruption for children (e.g. allowing them to finish the school year in their old school)

- Minimize negative spillover effects of vacant properties on surrounding neighborhood
  - Ensure servicer maintenance of REOs
  - Work with lenders/servicers to acquire and rehab foreclosures for affordable housing
