

## 12TH DISTRICT KEY FACTS

# FEDERAL RESERVE BANK OF SAN FRANCISCO

The **Federal Reserve System** is America's central banking system, responsible for promoting a strong and stable economy. It consists of the Board of Governors in Washington, DC and 12 Federal Reserve Banks, and has been tasked by Congress with the dual mandate of maximum employment and price stability. The Fed is also responsible for the safety and soundness of the financial system.

## ABOUT US

We carry out the Fed's mission in the Twelfth District, which covers nine Western states, plus American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands. Headquartered in San Francisco, the Bank also has branch offices in Los Angeles, Portland, Salt Lake City, and Seattle, along with a cash processing center in Phoenix

We are the **4th largest** central banking institution in the world, based on an annual GDP of \$5.0 trillion.

We process **77.5 million bank notes** per day.

We support **400+ banks** and bank holding companies.

The **Twelfth District** is the largest and most diverse in the Federal Reserve System. It covers 1.4 million square miles – equal to 37% of the nation's area.

**68.8** million people live in the Twelfth District.

**22%**  
nation's total personal income  
earned by 30.5 million  
workers in the Twelfth District.

**19%**  
nation's exports  
of manufactured goods  
originate in the Twelfth District.

GOVERNMENT

No matter who you are, the Federal Reserve impacts your life – whether you're applying for a mortgage, starting a new business, planning for retirement, or just getting some cash from the ATM. It's a big responsibility, and one we take seriously.

At the San Francisco Fed, we represent the system's largest and most diverse district. It's our job to make sure the economy works for everyone we serve. That's why we've committed to putting people at the heart of our work and to becoming America's premier public service organization. —Mary C. Daly, *President and Chief Executive Officer*
