Incorporating Federal Reserve Policies into the SLHC Supervision Program

On November 7, 2014, the Federal Reserve System issued [Supervision and Regulation letter 14-9, "Incorporation of Federal Reserve Policies into the Savings and Loan Holding Company \(SLHC\) Supervision Program."](#) This letter identifies the supervisory guidance documents (SR letters) issued prior to July 21, 2011 that are applicable to SLHCs. Applying these SR letters to SLHCs is consistent with and part of the Federal Reserve's broader initiative to establish an SLHC supervisory program similar in nature to its supervisory program for bank holding companies. SR letters issued after July 21, 2011 are not included in the listing attached to the SR letter; SLHCs should refer to the Board of Governors of the Federal Reserve System's [website](#) for SR letters issued after that date to determine if they apply.
