ELECTION OF DIRECTORS NOMINATION PROCEDURES

To the Member Banks of the Twelfth Federal Reserve District

The Federal Reserve Bank of San Francisco will conduct an election under the provisions of Section 4 of the Federal Reserve Act for the positions held by the following directors of this Bank:

Class A Director Mr. Steven R. Gardner
President and
Chief Executive Officer
Pacific Premier Bank
Irvine, California

Mr. Gardner was elected by banks in Group Two, which consists of banks having capital and surplus of \$35,000,000 or more and less than \$600,000,000. At the conclusion of his present term (December 31, 2016), Mr. Gardner will have served one three-year term and **is eligible for nomination as a candidate for reelection.**

Class B Director Ms. Nicole C. Taylor
Associate Vice Provost for Student
Affairs and Dean of Community
Engagement and Diversity
Stanford University
Stanford, California

Ms. Taylor was elected by banks in Group One, which consists of banks having capital and surplus of \$600,000,000 or more. At the conclusion of her present term (December 31, 2016), Ms. Taylor will have served two three-year terms and **is not eligible for nomination as a candidate for reelection.**

Each Federal Reserve Bank has a nine-member board of directors. Three Class A directors and three Class B directors are elected to staggered three-year terms by member banks in the district, and three Class C directors are appointed to staggered three-year terms by the Board of Governors of the Federal Reserve System. Class A directors represent the member banks. Class B and Class C directors represent the public and are chosen with due but not exclusive consideration to the interests of agriculture, commerce, industry, services, labor and consumers.

For purposes of nominating and electing directors, member banks are divided into three different groups based on levels of capital and surplus. The banks comprising Groups One and Two are listed on the following pages along with the corresponding list of officers authorized to cast a vote. The group in which a member bank will be entitled to vote will be determined by its classification as of the date of this letter, even though its capital and surplus may subsequently change prior to the date of the election.

Each bank in Group Two is permitted to nominate one candidate for Class A Director, and each bank in Group One is permitted to nominate one candidate for Class B Director. While the banks in Group Three will not vote in this election, this circular is sent to them, without forms, for their information.

The nomination forms for these Class A and Class B positions must be signed by an officer who has been duly authorized to make nominations and can cast votes on behalf of the bank. If your bank has not previously designated an officer for this purpose, it may do so by a resolution of the bank's board of

directors or through a provision in the bank's bylaws. If we have no record of such a designation, we have enclosed a designation card for you to return with your nomination.

Nominations must be received by 11:00 a.m. on August 24, 2016. You may return your nomination forms by any reasonable means, including the U.S. Postal Service in the enclosed envelope. You may also send a facsimile to (415) 393-1974 or submit a scanned copy by electronic mail to: sfofficeofthesecretary@sf.frb.org.

On September 8, 2016, a list of the candidates (indicating the nominating banks), a preferential ballot and voting instructions will be mailed to each bank eligible to vote in Groups One and Two. Voting will begin at 9:00 a.m. on September 15, 2016 and close at 11:00 a.m. on September 30. At that time, the votes will be counted in the Board Room of this Bank, and the election results will be announced. The candidates are invited to be present or represented on that occasion.

If you have any questions concerning this process, please call Robin A. Rockwood, Secretary of the Board, at (415) 974-3477. I appreciate your participation in this election.

Sincerely,

ROY A. VALLEE
Chairman of the Board

Information Concerning Eligibility for Class A and Class B Directorship of a Federal Reserve Bank

Reflected below are policy statements and certain statutory requirements that will be pertinent to your selection of a nominee for Class A and Class B Directors:

Section 4 of the Federal Reserve Act, as amended by the Federal Reserve Reform Act of 1977, reads in part as follows:

“Class A shall consist of three members, without discrimination on the basis of race, creed, color, sex, or national origin, who shall be chosen by and be representative of the stock-holding banks....No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director....Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director.

“Class B shall consist of three members, who shall represent the public and shall be elected without discrimination on the basis of race, creed, color, sex, or national origin, and with due but not exclusive consideration to the interests of agriculture, commerce, industry, services, labor, and consumers....No director of Class B shall be an officer, director, or employee of any bank.

“No Senator or Representative in Congress shall be a member of the Board of Governors of the Federal Reserve System or an officer or a director of a Federal Reserve Bank.”

At its meeting of November 10, 1993, the Board of Directors of the Federal Reserve Bank of San Francisco resolved that "all persons who stand for election as Class A or Class B directors of the Federal Reserve Bank of San Francisco shall be citizens of the United States."

In a policy statement issued on January 31, 2006, the Board of Governors of the Federal Reserve System restated its general position that it is "...contrary to the Board's policy for a director to hold, or to be a candidate for, any partisan public office...Similarly, a director may not hold public office in a position that is nominally nonpartisan if the office is viewed by the local public as partisan."

In a policy statement issued on December 5, 2011, the Board of Governors of the Federal Reserve System announced revisions to the policy governing eligibility of Class B directors. The policy states, "By statute, no Class B director may be an officer, director or employee of any bank. In order to give full and meaningful effect to this requirement as well as the requirement that Class B directors be elected with consideration for sectors of the economy beyond banking, it is the Board's policy that a Class B director may not be an officer, director (including advisory director) or employee of a financial affiliation company, except in the limited circumstances described below. For the purposes of this policy, a financial affiliation company is defined as any bank, bank holding company, branch or agency of a foreign bank, Edge Act or agreement corporation, thrift institution, credit union, designated financial market utility ("DFMU"), systematically important financial institution ("SIFI"), or subsidiary of such a company or entity. A financial affiliation company also includes any thrift holding company (also known as a savings and loan holding company), and any company that owns a bank or thrift institution, (but is not a bank holding company or a thrift holding company), if, at the time of election, either (1) the total of all banks and thrifts controlled by the company constitutes 15% or more of the assets of the consolidated holding company or (2) the total assets of the banks and thrifts owned by the company exceed \$10 billion."
