The Reinvestment Fund (TRF) Philadelphia PA
Fresh Food Financing Initiative

- Designed to increase number of high quality grocery stores in underserved low and moderate income areas
- Committed $63.3 million in grants and loans to 68 stores across Pennsylvania
- Example: ShopRite, Eastwick Philadelphia, PA
  - Provides fresh and affordable food & jobs to local residents (many with attractive employee benefits)
  - Opened with $250,000 in grant funding from FFI & a loan from TRF’s New Markets Tax Credits
Overview of the NMTC Program

- Enacted on December 21, 2000.
- Part of the Community Renewal Tax Relief Act of 2000.
- Provides a credit against Federal income taxes for investors that make Qualified Equity Investments (QEIs) into Community Development Entities (CDEs).
- CDEs in turn use the proceeds of these investments to make Qualified Low-Income Community Investments (QLICIs).
- QLICIs include, among other things, investments in businesses and real estate projects in low-income communities.
Credit Amount

- The credit is taken over a 7-year period
- The credit rate is:
  - 5% of the original investment amount in each of the first three years
  - 6% of the original investment amount in each of the final four years
- Equals 39% of amount of original investment
Timing of Investments

- CDEs must offer NMTCs to investors within 5 years of receiving an allocation.

- CDEs have 12 months to invest their QEI proceeds into Qualified Low-Income Community Investments (QLICIs).

- Generally, CDEs that receive returns of capital will have 12 months to reinvest those funds in QLICIs.
  
  - Reinvestment is not required in the final year of the 7-year credit period.
Eligible Investments (QLICIs):

- Any capital or equity investment in, or loan to, any “Qualified Active Low-Income Community Business” (QALICB)
- Purchase of a loan from another CDE if the loan is a QLICI
- “Financial Counseling and Other Services” (FCOS) to businesses located in, or residents of, LICs
- Any equity investment in, or loan to, any CDE
What is a typical QALICB?

– An operating business located in a LIC.

– A business that develops or rehabilitates commercial, industrial, retail and mixed-use real estate projects in a LIC.

– A business that develops or rehabilitates community facilities, such as charter schools or health care centers, in a LIC.

– A business that develops or rehabilitates for-sale housing units located in LICs.
CDEs must make QLICIs within 12 months of receipt of Investor QEI.

CDEs must offer credits to investors within 5 years.

Private Investors

QEI must stay invested in CDE for 7 years.

Activities to Date

- Over $15.2 billion in QEIs have been made into CDEs that received awards under the first six allocation rounds.

- Through FY 2008, awardees have reported making $12.7 billion of NMTC loans and investments into low-income communities throughout the country.

- These investments have supported a wide variety of activities:
  - small and large businesses,
  - manufacturing facilities,
  - retail shopping centers (including fresh foods stores)
  - health care facilities,
  - charter schools,
  - job training centers,
  - alternative energy companies, and for-sale housing.
Sample of NMTC Supported Activities:

- An emergency worker training facility developed in Lafayette, LA, after Hurricane Katrina, projected to train more than 240 students per year and provide more than 60 permanent jobs.

- Loan to a Native American business woman to enable her to own a pharmacy in western Montana and create jobs in a high poverty rural community.

- Developing a high-tech business incubator in Detroit to provide opportunities for minority and women business owners.

- A 161,000 square-foot manufacturing facility in rural Iowa that manufactures parts for wind turbines.

- Charter school development serving 450 middle school and high school students, in the Crenshaw neighborhood of south Los Angeles.
TRF-ShopRight Supermarket-Eastwick Philadelphia, PA

- $5 million in NMTC equity leveraged with funds from Merrill Lynch, Bank of America, and PA Fresh Food Financing Initiative.
- Opened with $250,000 grant from PA Fresh Food Financing Initiative and loan from TRF’s NMTC allocation.
- NMTC equity supported 7 year, interest-only loan generating lower debt service coverage.
- Lower costs allowed TRF to support financing for local workforce training which generated 258 new jobs with employee benefits.
Healthy Food Options – Local Initiatives Support Corporation (LISC)

- $18.5 million in NMTC allocation authority leveraged with financing from Wachovia Bank helped develop the Shops at Park Village.

- Included in the 113,718 sq ft complex is a Super Giant supermarket which is the first in the Congress Heights neighborhood of southeast Washington, DC in nearly a decade.

- The development created 175 construction jobs and 375 permanent jobs.

- NMTC equity allowed for below market interest rates with more favorable terms and a higher loan to value ratio.
CEI-River Valley Market - Northampton, MA

- $7.4 million in NMTC equity leveraged with Massachusetts Technology Collaborative Funds.

- Community market cooperative specializing in local, fresh, organic food from farms in the Connecticut River Valley.

- New construction development of 17,000 sq ft silver LEED certified retail space on 3 acre site.

- Supports local farm resale and distribution markets with annual sales projected to exceed $10 million.
CEI- Richford Main Street Mill, Richford, VT

- $4.9 million in NMTC equity leveraged with federal and state historic tax credits and USDA Rural Development loans to produce the first NMTC project in VT.

- 47,000 sq ft, mixed-use redevelopment of former furniture and textile mill built in 1920.

- Now features: Mac’s Market, Richford Health Center- serving 2,3009 residents, a pharmacy, office space and affordable housing.

- NMTC helped CEI retain 20 healthcare jobs and created 25 new jobs.
