

GUAM ENVIRONMENTAL PROTECTION AGENCY

Ivan C. Quinata
Administrator

Mission Statement: *The Guam Environmental Protection Agency provides an integrated and comprehensive framework of environmental protection throughout the island and its waters. The Agency's framework is designed to facilitate the improvement and maintenance of a high quality environment at all times, to guarantee an enjoyable life for the people of Guam at present and in the future and to ensure that environmental degradation of the quality of land, water and air by any pollutants, including all physical, chemical and biological agents, should not be allowed.*
