

TRENDS IN DELINQUENCIES AND FORECLOSURES IN OREGON

September 2010

Community Development Research
Federal Reserve Bank of San Francisco

National Trends

- According to John Williams, Director of Research at the FRBSF, the economic outlook is for a slow and modest recovery
 - ▣ Unemployment still a major concern, and unlikely to see significant drops in the unemployment rate in the next year
 - ▣ While the housing market appears to be stabilizing, recovery is muted, and construction starts and home sales are both down in the most recent period
 - ▣ Growth of real gross domestic product (GDP), the broadest measure of the strength of the economy, is hovering around 2 percent in the current quarter
- Large “shadow” inventory of properties in delinquency or some stage of the foreclosure process also remains a concern

National Trends

Unemployment continues to hover around 10%

Conclusions

Continued Need for Foreclosure Prevention

- Important to reach borrowers with ‘preventable’ foreclosures
 - ▣ Borrower Outreach Events
 - Create a foreclosure prevention workbook -- for an example see Arizona’s:
http://www.pima.gov/current/2008_November%20English%20Workbook.pdf
 - ▣ Making Homes Affordable
 - Federal program provides both loan modification and refinance options
 - Online form available that allows borrowers to assess if they qualify for the program
 - <http://makinghomeaffordable.gov/eligibility.html>

Preventing Foreclosure Scams

- Foreclosure scams are proliferating, especially in markets with investor interest
 - ▣ Some counties are sending notices to all delinquent borrowers to warn them about foreclosure scams
 - ▣ Free media kit available from the Federal Reserve which includes a PSA and other resources:
<http://www.federalreserveeducation.org/pfed/mediakit.cfm>
 - ▣ NeighborWorks PSA: <http://www.youtube.com/nwpad>
- Other 5 Tip brochures and resources available from the Federal Reserve
<http://www.federalreserve.gov/consumerinfo/fivetips.htm>

Stabilizing Communities and Helping Families After Foreclosure

- Develop service delivery and resources for families who go through foreclosure
 - ▣ Rental housing assistance
 - ▣ Credit repair
 - ▣ Minimizing disruption for children (e.g. allowing them to finish the school year in their old school)
- Minimize negative spillover effects of vacant properties on surrounding neighborhood
 - ▣ Ensure servicer maintenance of REOs
 - ▣ Work with lenders/servicers to acquire and rehab foreclosures for affordable housing
