

## **Kevin J. Lansing**

Kevin joined the Federal Reserve Bank of San Francisco in 1998, after spending two years at the Hoover Institution, Stanford University as a National Fellow and a Visiting Scholar. Prior to that, he served as an Economist in the Research Department of the Federal Reserve Bank of Cleveland. From 2011 to 2013, he served as a visiting economist in the Monetary Policy Research Department of the Central Bank of Norway (Norges Bank).

He has a Ph.D. in Economics from the University of California, Los Angeles, an M.B.A. in Finance from Virginia Polytechnic Institute, and a B.S. in Mechanical Engineering from Rensselaer Polytechnic Institute. He is also a Chartered Financial Analyst (CFA).

Kevin's recent research focuses on models of investor expectations and bounded rationality as applied to house prices, stock markets, and exchange rates. He has published articles in leading academic journals including American Economic Journal: Macroeconomics, Journal of Economic Theory, Economic Journal, and Journal of Public Economics. He is currently serving as a member of the Executive Committee of the Society for Nonlinear Dynamics and Econometrics.
