# FEDERAL RESERVE BANK OF SAN FRANCISCO

101 Market Street, San Francisco, California 94105

September 20, 2011

# ELECTION OF DIRECTORS NOMINATION PROCEDURES

#### To the Member Banks of the Twelfth Federal Reserve District

An election will be conducted under the provisions of Section 4 of the Federal Reserve Act for the positions held by the following directors of this Bank:

Class A Director Mr. Dann H. Bowman

President and Chief Executive Officer

Chino Commercial Bank, N.A.

Chino, California

**Mr. Bowman** was elected by banks in Group Three, which consists of banks having capital and surplus of less than \$17,500,000. At the conclusion of his present term (December 31, 2011), Mr. Bowman will have served one three-year term and **is not available for nomination as a candidate for reelection.** 

Class B Director Mrs. Karla S. Chambers

Vice President and Co-Owner Stahlbush Island Farms, Inc.

Corvallis, Oregon

**Mrs. Chambers** was elected by banks in Group Two, which consists of banks having capital and surplus of \$17,500,000 or more and less than \$200,000,000. At the conclusion of her present term (December 31, 2011), Mrs. Chambers will have served an unexpired portion of a term plus two three-year terms and **is not eligible for nomination as a candidate for reelection.** 

The banks comprising Groups Two and Three are listed on the following pages.

The group in which a member bank will be entitled to vote will be determined by its classification as of the date of this letter, even though its capital and surplus may subsequently change prior to the date of the election.

Each bank in Group Two is permitted to nominate one candidate for Class B Director, and each bank in Group Three is permitted to nominate one candidate for Class A Director. The exception is when any two or more banks within the same Federal Reserve District and in the same group are subsidiaries of the same bank holding company. Participation by such member banks in any such nomination or election shall be confined to one of such banks, which may be designated for the purpose by said bank holding company. A form of designation will be furnished upon request.

The nominations for these Class A and Class B positions must be made by resolution of the Board of Directors or other governing body, certified to me and received in my office by 2:00 p.m. on October 25, 2011. A form and return envelope for this purpose are enclosed. A resolution adopted by a governing body other than the Board of Directors must be supplemented by a duly certified copy of the articles of incorporation, or by-laws, or an extract therefrom, showing the authority of the body to act for the organization.

On November 8, 2011, a list of the candidates (indicating the nominating banks) and a preferential ballot will be mailed to each bank eligible to vote in Groups Two and Three. The ballot must be cast within the period the polls are open. The polls will open at 9:00 a.m. on November 16, 2011, and close at 2:00 p.m. on December 1. At that time, the ballot box will be opened in the Board Room of this Bank, the votes counted, and the results of the election announced. The candidates are invited to be present or represented on that occasion.

In order to be counted, the ballot must be executed by an officer authorized to cast the vote. The lists of banks in Groups Two and Three on the following pages indicate the officers authorized to cast the ballots of such banks. Inasmuch as the authority conferred on these officers continues until revoked, they need not be reappointed. Any bank that desires to change its authorization should do so by resolution of its Board of Directors or other governing body and certify the appointment to me before the polls close. A form for this purpose will be furnished upon request.

While the banks in Group One will not vote in this election, this circular is sent to them, without forms, for their information.

Sincerely,

DOUGLAS W. SHORENSTEIN Chairman of the Board

# Information Concerning Eligibility for Class A and Class B Directorship of a Federal Reserve Bank

Reflected below are policy statements and certain statutory requirements that will be pertinent to your selection of a nominee for Class A and Class B Directors:

Section 4 of the Federal Reserve Act, as amended by the Federal Reserve Reform Act of 1977, reads in part as follows:

"Class A shall consist of three members, without discrimination on the basis of race, creed, color, sex, or national origin, who shall be chosen by and be representative of the stock-holding banks....No officer or director of a member bank shall be eligible to serve as a Class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director....Any person who is an officer or director of more than one member bank shall not be eligible for nomination as a Class A director except by banks in the same group as the bank having the largest aggregate resources of any of those of which such person is an officer or director.

"Class B shall consist of three members, who shall represent the public and shall be elected without discrimination on the basis of race, creed, color, sex, or national origin, and with due but not exclusive consideration to the interests of agriculture, commerce, industry, services, labor, and consumers....No director of Class B shall be an officer, director, or employee of any bank.

"No Senator or Representative in Congress shall be a member of the Board of Governors of the Federal Reserve System or an officer or a director of a Federal Reserve Bank."

At its meeting of November 10, 1993, the Board of Directors of the Federal Reserve Bank of San Francisco resolved that "all persons who stand for election as Class A or Class B directors of the Federal Reserve Bank of San Francisco shall be citizens of the United States."

In a policy statement issued on January 31, 2006, the Board of Governors of the Federal Reserve System restated its general position that it is "...contrary to the Board's policy for a director to hold, or to be a candidate for, any partisan public office...Similarly, a director may not hold public office in a position that is nominally nonpartisan if the office is viewed by the local public as partisan."

In a policy statement issued on November 25, 2009, the Board of Governors of the Federal Reserve System announced revisions to the policy governing eligibility of Class B directors. The policy states, "By statute, no Class B director may be an officer, director or employee of any bank. In order to give full effect to this requirement as well as the requirement that Class B directors be elected with consideration for sectors of the economy beyond banking, under the Board's policy a Class B director may not be an officer, director (including advisory director) or employee of a financial affiliation company. A financial affiliation company is any bank, bank holding company, branch or agency of a foreign bank, thrift institution, credit union, or subsidiary of such a company or entity. A financial affiliation company also includes any company that owns a bank or thrift institution, even if the company is not a registered bank holding company, if, at the time of election, the value of all banks and thrifts controlled by the company constitutes 15% or more of the assets, revenues, or net income of the consolidated holding company."
