

Michael Taylor

Member of the Secretariat, Financial Stability Board, Bank of International Settlements

Michael Taylor is a member of the Financial Stability Board Secretariat at the Bank of International Settlements and an internationally recognized authority on financial regulation. Previously Taylor worked with the Bank of England, the International Monetary Fund, the Hong Kong Monetary Authority and, most recently, the Central Bank of Bahrain, where he was advisor to the governor. Among his numerous publications are the seminal "Twin Peaks" paper (1995) and the textbook "Global Bank Regulation" (2010). He has also contributed to leading periodicals and specialist journals. He was educated at Oxford University, where he earned his doctorate.
